BARRIER-FREE ENTRY SHOWERS

Easy Barrier-Free Elegance

Have you dreamed of a luxurious open-concept shower that seamlessly transitions from your bathroom floor directly into your shower with no barrier or curb?

HYDRO-BLOK® Single Slope Shower Pans with the HYDRO-BLOK Linear Drain by ebbe and our all-new Low-Profile Center Drain Shower Pans are your solutions. The freedom to use any size of tile or stone on your shower pan allows for unique and creative designs and a modern, clean appearance with no metal drain cover visible on the shower floor.

The HYDRO-BLOK Linear Drain by ebbe can be placed anywhere in a shower as it is easily customized to fit any shower space or size for either residential or commercial installations.

Take a look at the new era of shower designs and put yourself in a world of luxury and timeless elegance.

The HYDRO-BLOK® Linear Drain by ebbe

The HYDRO-BLOK Linear Drain by ebbe was designed & produced in partnership with ebbe America, a leader in the plumbing industry and known as an innovative manufacturer of floor drains and associated products.

The 73½" linear drain body can be cut to fit showers of all sizes or coupled with additional drain bodies for larger showers

HYDRO-BLOK™ Barrier-Free Installation Options

HYDRO-BLOK Thin Single Slope Shower Pans require only the drain area to be lowered to provide barrier free showers in new or renovation installations. HYDRO-BLOK Standard Single Slope

Shower Pans or our new Low-Profile Center Drain pans together with our Sub-Floor Lowering Kit (patent-pending) allow your entire shower area to be set up for a curb-less installation.
